**NEW! Dependent transition assistance resources**

**Transition Assistance Fund**  
UHS will consider offering one year financial assistance, on a case by case basis, to individuals who can show that access to their health care options will be negatively impacted by this decision. Students who believe they could qualify for this kind of assistance should contact the SHIP office at 510-642-5700 (Monday-Friday 8am-5pm).

**Onsite individualized help through the SHIP office**  
For students and their families who are not satisfied with the customer service they received from University’s insurance broker or would like further clarification, SHIO staff are available to provide individualized resources to help through this transition by contacting 510-642-5700 (Monday-Friday 8am-5pm).
