

Open to
the public!

NO DRUGS DOWN THE DRAIN

Do you have any unwanted or
expired medications?

Dispose of them at UHS Pharmacy!

Use the green pharmaceutical
disposal bin located in the
Tang Center Pharmacy.

Prescription medicines disposed of down
the drain are showing up in bodies of
water in the San Francisco Bay.

80% of streams in the U.S. have measurable
concentrations of prescription drugs and
traditional waste water treatment plants
can't remove these compounds.

Disposing of your medicines in the trash
could accidentally poison
pets, seniors, or be taken
by criminals.
