Community Support Spaces

CAPS Community Check-In and Dialogue for BIPOC Students

Tuesday, May 11, 4:15-5:45pm
Zoom ID: 484-643-4750

As we are holding a lot of grief and stress due to recent events including murders of unarmed Black and Brown people, police brutality, anti-Asian hate crimes, and many other injustices, we want to offer a space to process, grieve, and be in community. Join us for a space of open dialogue and fellowship.

CAPS Latinx Virtual Community Check-In

Thursday, May 13, 3-4:30pm
Zoom ID: 687-315-2875

With all that’s been going on this semester (police violence, undocumented migrant concerns, societal racism, and systematic oppression), we wanted to offer a supportive community space for the Latinx community for mental health and wellness.
