# Collegiate Recovery Program

## Find your recovery community at UC Berkeley!

Recovery at Cal is UC Berkeley's collegiate recovery program (CRP). CRP provides on-campus recovery meetings and non-clinical support. The program welcomes all students who are: 1) in recovery or seeking recovery, 2) sober curious, 3) struggling with substance use, or 4) anywhere in between.

### The Collegiate Recovery Program offers:

- On-campus recovery meetings
- Substance-free social events
- Individual recovery support
- Recovery and harm-reduction training
- Overdose prevention tools: Naloxone and Fentanyl Test Strips.
