## Step 1: Log into the eTang Portal at etang.berkeley.edu

This will bring up the Cal Net Authentication page. Log in with your CalNet ID and perform the Duo verification as you normally would.

Now, you should be on the eTang homepage.

## Step 2: Click the “Visits/Medications/Lab Results” on the left menu. (pink solid lined box)

**Medical Records**

[Visits](#) [Medications](#) [Lab Results](#)

Coll. Date	Test Name	Result	Flag	Reference
No Lab records are available.				

- Laboratory results will be posted once they are final and reviewed by your clinician. This can take 1-2 weeks.
- Not all lab results can be displayed although all tests ordered will be listed. HIV results are not available online.
- For help understanding your results, please click this link: [Lab Tests Online](#)
- If you have further questions, please send a secure message to your Primary Care Team.

**Medical Records**

[Visits](#) [Medications](#) [Lab Results](#)

Coll. Date	Test Name	Result	Flag	Reference	Units
11/5/2020	SARS-CoV-2 RNA, Self-Swab (BC-STAD)				
	COVID19SS	Negative		Negative	
10/28/2020	SARS-CoV-2 RNA Panel Respiratory Specimen NAA (BCS2)				
	COVID19FG	Not Detected		Not Detected	
10/19/2020	SARS-CoV-2 RNA Panel Respiratory Specimen NAA (BCS2)				
	COVID19FG	Not Detected		Not Detected	

- Laboratory results will be posted once they are final and reviewed by your clinician. This can take 1-2 weeks.
- Not all lab results can be displayed although all tests ordered will be listed. HIV results are not available online.

## Step 3: This brings you to the medical records page. Click the tab that says “Lab Results” (black dashed box)

**Step 4: This will bring up your current results** (pink double lined box). That's it! You're done. Please be patient, as the lab and staff are working around the clock to process the results as fast as possible.
