COVID-19 Surveillance Testing

- The groups and frequency is defined by the potential risk of exposure/transmission and based on residential setting or workplace setting and role.
- If you’re in more than 1 group listed below, proceed with the higher recommended testing frequency.
- Go online to etang.berkeley.edu to book appointments and see available testing locations.

**Required Testing 2x/Week**
- Students in Residence Halls & Campus Owned Apartments
- Residential Life Staff (RAs and RDs living in Residence Halls)

**Required Testing 1x/Week**
- Student living at University Village Albany (UVA)
- Anyone coming to campus (students, postdocs, staff, and faculty)

**Recommended Testing 2x/Week**
- Bowles Hall Residents
- Greek Housing Residents
- Berkeley Student Cooperative (Co-Op) Residents
