

COVID-19 Vaccine Priority Tiers For UC Berkeley

PHASE 1A

TIER 1

N/A

TIER 2

UC Berkeley personnel and clinical trainees providing direct (in-person) care within core medical clinics, testing sites, or COVID-19 isolation/quarantine units; affiliated staff working within these areas.

TIER 3

UC Berkeley personnel and clinical trainees working within other healthcare and public health settings, including specialty clinics, laboratories and other testing facilities, pharmacies, and high risk community care settings.

PHASE 1B

TIER 1

TBD but will likely include

- Other UCB faculty, staff, and students whose current roles put them at higher risk of exposure, based on CDPH and UCOP Guidance.
- UCB students/faculty/staff/emeriti age 65+

TIER 2

TBD but will likely include

- Other UCB faculty, staff, and students whose current roles put them at moderate risk of exposure, based on CDPH and UCOP Guidance.
- UCB students/faculty/staff/emeriti age 65-74+

PHASE 1C

- Details TBD
