Counseling and Psychological Services staff are available at César Chávez. Counselors have expertise and competency in working with underrepresented students on campus. There are two ways to access care at Chávez:

**DROP-IN FOR A CONSULTATION**
Let’s Talk! drop-in hours are brief, free, and informal consultations with a UHS counselor.

**CALL TO MAKE AN APPOINTMENT**
Call (510) 643-5738 to make an appointment with one of the counselors listed below.

For support when the César Chávez satellite office is closed, call CPS at (510) 642-9494.
