We’re students advocating to improve the party culture and social benefits by decreasing drama and problems related to alcohol.

**Join us.** Support widespread awareness and adoption of these four alcohol and party risk management practices:

- ✔ Provide plentiful and easily accessible water.
- ✔ Eliminate service of hard alcohol (>20% ABV) in common areas
- ✔ Presence of enough sober hosts and trained alcohol servers who monitor and intervene for intoxication
- ✔ Have security measures to keep attendance under the maximum occupancy for location
