

New in 2019!

FIRST 5 CALIFORNIA'S KIT FOR NEW PARENTS*

New Package. . . New Contents

***The Kits and Shipping are FREE**

The Kit box has been replaced by a heavy duty, expandable envelope with an affixed ID label with a brief description of the contents.

Kit Contents

The Kit is in a reusable *Talk, Read, Sing* shopping bag containing the following items:

What to Do When Your Child Gets Sick book (Updated 2018)

California Parent Guide (NEW)

Baby's 1st touch and feel book

Poison control brochure and magnet

Paid Family Leave brochure

Brain development card & brochure

Advice for New Parents DVD

Parent Resource list (NEW)

The **CA Parent Guide** is a collaboration between First 5 California and UC Berkeley. This publication replaces the discontinued **Advice for New Parents** book. The **CA Parents Guide** provides parents with the latest information on brain development, nutrition, physical and emotional health, development milestones, and child safety in an easy to navigate format. It will be translated and printed in Asian languages later this fall.
