

SHIP Benefits for Berkeley Students

Spring 2019: January 1, 2019 - July 31, 2019

This flier provides general benefits information for UC Berkeley students enrolled in SHIP. If there are any discrepancies between this document and the Berkeley SHIP Master Policy, the Master Policy supersedes this document. Please refer to the SHIP Benefits Booklet (available online) for a complete description of benefits, exclusions and limitations, and members' rights and responsibilities. For more information, visit uhs.berkeley.edu/ship or call (510) 642-5700.

Important - Please Note:

- The plan premium is billed to UC Berkeley students' Cal Central accounts each semester. The rates for the 2018-19 academic year are \$1,497/semester for undergraduates and \$2,373/semester for graduate students. The **plan year** is from August 1, 2018 through July 31, 2019.
- **Don't get stuck with the bill. Remember, all care must begin at University Health Services-Tang Center (UHS). All medical and mental health services obtained outside of UHS, except for emergency room care, urgent care, international services, and some limited preventive and women's health visits, must be authorized by the Student Health Insurance Plan in order to ensure payment for services.**
- **There is a \$300 per plan year deductible** for some services outside of UHS (identified with an asterisk "**"). Once the deductible is satisfied, SHIP benefits begin. In-network medical and mental health office visits, emergency room visits, network urgent care center visits and prescriptions are not subject to the annual deductible.
- **Co-insurance:** Except where noted below, services received from providers or facilities in the Anthem network are reimbursed at 90% of the network rate. If services are obtained from providers or facilities that are not in the network, claims will be paid at 60% of the non-network rate (maximum allowed rate); save money by selecting network providers.
- **Payment:** For services provided at UHS, SHIP members pay the portion for which they are responsible at the time of service or will have it billed to their Cal Central account. UHS will file claims with SHIP for the remainder of charges. For authorized services outside of UHS, the provider or patient submits itemized bills to Anthem.
- SHIP has no maximum medical benefit caps.
- Register online at mobilehealthconsumer.com/studenthealth or download Anthem mobile app (Student Health) to view and print your ID card, check benefits and view claims.

NURSE LINE ASSISTANCE + AFTER HOURS TELEMEDICINE

- **Weekday UHS Advice Nurse:** During weekday hours, students can contact the UHS Advice Nurse line to speak with one of our nurses by calling (510) 643-7197 or secure messaging via patient portal: etang.berkeley.edu.
- **After Hours Nurseline:** SHIP members can call the 24/7 Nurseline at (800) 681-4065.

Keep on smiling with SHIP Dental Coverage!

SHIP contracts with MetLife to provide an excellent package of dental benefits to SHIP members. If you are enrolled in SHIP, you have dental insurance – no separate enrollment is necessary. Here are answers to frequently asked questions about the dental plan:

How does the dental plan work?

Dental coverage is provided through the MetLife PDP Plus plan. With this plan, you select a provider from a nationwide network of 90,000 MetLife PDP Plus Dentists, over 500 of whom are located within five miles of campus. When you make your appointment, let the dentist know you have coverage through MetLife.

You do not need to pre-select a primary dentist, carry an ID card or receive referrals for specialty care. If you visit a dentist who is not a MetLife Dentist, you will still receive benefits, but you will be charged higher out-of-pocket copayments for the services you receive.

Member ID: Your MetLife member ID is the nine digits after “XDP” on your Anthem card. To view or print your MetLife card, register online at metlife.com/mybenefits or on the MetLife mobile app.

Dental Benefits Summary:

	MetLife PDP Plus Dentist	Non-Network Dentist
Annual Maximum Benefit	\$2,000	\$2,000
Deductible (Applies only to basic and major restorative services)	\$25	\$50
Preventive and Diagnostic Services: • Oral exams, cleanings and fluoride (2 per plan year) • Bitewing x-rays (once per plan year) • Full mouth x-rays (once per 5 years)	100% of negotiated fee ¹	80% of R & C fee ²
Basic Restorative Services: • Fillings, simple extractions, oral surgery, periodontics, and endodontic	80% of negotiated fee ¹	60% of R & C fee ²
Major Restorative Services: • Bridges, dentures, crowns, inlays, and onlays	70% of negotiated fee ¹	40% of R & C fee ²

¹Negotiated fee: charge that participating dentists have agreed to accept as payment in full, subject to any co-payments, deductibles, cost-sharing, and benefit maximums.

²R & C fee: Reasonable and Customary charge is based on the the lowest of the dentist's actual charge, the dentist's charge for the same or similar services, or the charge of most dentists in the same geographic area for the same or similar services as determined by MetLife.

For more information about dentists' fees and for a complete list of benefits and covered services, visit uhs.berkeley.edu/dental.

How do I find a dentist?

There are over 500 dentists within five miles of campus who participate in the MetLife PDP Plus plan. To find a dentist, visit the MetLife website at metlife.com/dental.

If you need dental care when away from campus, you may choose from dentists nationwide. You have the freedom to choose any dentist at any time. You do not need to visit the same dentist every time.

Do I need to file a claim after my visit?

Dentists will file a claim directly to MetLife. If you are responsible for any portion of the charges, you will be expected to pay that amount at the time of service. Your dentist may ask for your member ID and the group number.

If you visit a dentist who is not a MetLife dentist, you may need to pay all charges, and file a claim for reimbursement. You may print a claim form at metlife.com/dental or call (800) 942-0854 to have one sent.

Can I find out how much services will cost prior to treatment?

Yes. You may have your dentist request a pretreatment estimate to determine what services the plan will cover and at what payment level. We strongly recommend a pretreatment estimate if the services are expected to cost more than \$200. With the

pretreatment estimate, you'll know exactly what your payment responsibilities are and can discuss treatment options.

Can I waive the dental plan?

Dental coverage is available as part of Berkeley SHIP. If you are enrolled in SHIP, you automatically receive dental coverage. You cannot enroll in or waive dental coverage separate from SHIP.

What if I have more questions?

For information about SHIP and dental coverage, visit uhs.berkeley.edu/dental or call the Student Health Insurance Office at (510) 642-5700.
