⁶Newborns are covered for the first 31 days from date of birth or until the student’s coverage terminates, if earlier. Coverage after the first 31 days of life is offered through the dependent plan. To enroll a newborn, contact the SHIP office within 31 days of the baby’s birth.
⁷Services rendered with a non-network provider are covered at the 100% of the usual and customary charge. All charges over the usual and customary charge is the member’s responsibility.

*For additional benefits and coverage details, including limitations and exclusions, visit [uhs.berkeley.edu/dental](http://uhs.berkeley.edu/dental).

**R & C fee:** Reasonable and Customary charge is based on the lowest of the dentist’s actual charge, the dentist’s charge for the same or similar services, or the charge of most dentists in the same geographic area for the same or similar services as determined by MetLife.

**Finding a Dentist**

No referral is required. Visit [metlife.com/dental](http://metlife.com/dental) or download the MetLife mobile app to find a participating dentist in the PDP Plus network. MetLife has a nationwide network of more than 90,000 dentists, including over 500 dentists within five miles of campus.

**Pretreatment Estimates**

We strongly recommend a pretreatment estimate if the services are expected to cost more than $200. With the pretreatment estimate, you will know exactly what your payment responsibilities are and can discuss treatment options.

**Filing Claims**

- Participating dentists will ask for your MetLife member ID and group number and file claims directly to MetLife. If you are responsible for any portion of the changes, you will be expected to pay at the time of service.
- If you visit a dentist not in the network, you may need to pay for services in full and file a claim for reimbursement. Dental claim forms are available at [metlife.com/dental](http://metlife.com/dental).
- You may check claim status on the MetLife website or mobile app. You may also contact MetLife at (800) 942-0854 to speak to a dental plan representative.
