

Berkeley Student Health Insurance Plan (SHIP)
2023-24 Plan Year Waiver Criteria
Effective 8/1/2023

PLEASE NOTE: Students who waived enrollment in SHIP in any previous term are required to waive each Fall. Failure to apply for a new waiver each Fall by the established deadline will result in the student being enrolled in SHIP and charged the premium on their campus tuition bill. Check uhs.berkeley.edu/insurance/waiving-ship for waiver period deadlines.

- I. All plans must provide unrestricted access to an in-network primary care provider, in-network hospital and full non-emergency medical and behavioral health care within 50 miles of campus or the student's place of residence while attending school.

NOTE: This criterion applies to all plan types without exception, including Medi-Cal or Medicaid, Medicare, TRICARE, VA benefits, HMOs (including Kaiser, Sharp and others), Covered California, ministry sharing plans or other U.S. federal or state exchange plans, all employee-sponsored and individual plans. Plans with an assigned PCP must have one assigned within 50 miles of campus or the student's place of residence prior to the start of the semester (Fall August 16, 2023 and Spring January 9, 2024).

- II. Coverage is currently active and the student agrees to maintain health coverage throughout the entire academic year 8/1/23-12/31/23 (fall) and 1/1/24-7/31/24 (spring). If your coverage is terminated or has a change, please contact the Student Health Insurance Office immediately.

A higher out-of-pocket maximum is allowed if the subscriber has a Health Savings Account (HSA) or a Health Reimbursement Account (HRA).
