SHIP is the University's student health insurance plan.

SHIP covers at least 90% of most fees at Tang, not including Primary and Urgent Care visit fees.

Where applicable, the amount shown in the "Student with SHIP" column represents the 10% due by SHIP members for services covered at 90%.

TANG TIP: DON'T GET STUCK WITH THE BILL! SHIP members **seeking services outside of Tang** (aside from Emergency Care) always need referral from a UHS clinician or the claims will be denied.
