Like Happy Neighbors!

Welcome Cal Students! Many of your neighbors were once in your position – starting out a new chapter in their lives in Berkeley. Some of us have lived in this neighborhood since the 1970's and 80's and are proud of our streets, gardens and neighborhood association. Please join us. We enjoy getting to know you, so say hi and stop to talk when you see us. We'll do the same.

Roles and Procedures of UC Berkeley Center for Student Conduct

Police and neighbors can report complaints and incidents that involve Cal students to the Center for Student Conduct (CSC) as possible violations of the Code of Student Conduct. CSC staff review all reports to determine if they are actionable. Actionable cases follow an established process to determine if a student or student organization has violated the Code. CSC sanctions aim to be appropriate to the violation and can include monetary fines, restriction of privileges, restitution, university service, counseling, and additional assignments. For more information regarding the conduct process, please contact the Center for Student Conduct or visit <http://sa.berkeley.edu/conduct>.
